

# Making History

On September 18, 2021, quarterback Walker Martin (11) secures the Reds' lead against rival Platte Valley Broncos by scoring a touchdown during the second quarter. Martin said, "When we're on the field we just try to execute the play well and get as many yards as we can; but when we score a touchdown, I like to celebrate with the guys because it's a big moment for us." The last time Eaton beat Platte Valley during a regular season game was in 2012. Finally securing a regular season win against their rivals was a big moment for the team. "We felt pretty good going into the game, and we kind of had a chip on our shoulder going into it. We just wanted to get the win for Lemon, so it was a special moment for us," said Martin. Eaton came out on top and ended the night victoriously with a score of 32-0.

# REDS Riled Up!

During the back-to-school pep assembly on September 7, 2021, Lucas Cass (12) gets the student body riled up by leading the school chant. Last year, COVID-19 regulations prevented all-school assemblies. With the reduction of COVID-19 restrictions at the beginning of the school year, student council was able to put on an assembly, and Eaton High School students' were finally able to get a taste of the norm. Cass and Dirk Duncan (12) were selected to be the designated hype men during the assembly. Cass said, "Jorg saw me starting to do the wave over in the senior section and called me over. People don't get excited, so we gotta get them excited." The senior class proceeded to be the loudest and have the most school spirit during the assembly and earned the Reds Spirit Stick. At the end of the year it will be awarded to the class with the most school spirit to keep the tradition alive.

# Who Let the Reds Out?

During the tug-of-war class competition on the first day of school, seniors cheered on their fellow classmates. For the first time in over a year, the entire EHS student body was allowed to assemble together. Senior Megan St. Jean describes her excitement coming back to school after a long summer break due to school construction. “It feels exciting to go back to school. This is a year of lasts and I’m really happy to be a part of a group of seniors that want to make it a great year. I want to enjoy the time I have with my classmates because this is the last year to be with these people,” said St. Jean.
