Donna's Delicious Delights

In 2005, Donna Green left a secure job at Gulfstream to pursue her lifelong dream of opening a restaurant. Nearly 20 years later, Donna's Delicious Delights is a hallmark of Savannah's culinary scene, serving up scrumptious baked goods and soul food staples.

Donna's Delicious Delights!

A Dream Come True

Equal parts bakery and deli, [Donna's Delicious Delights](#) is a local restaurant known for their toothsome sweet treats and savory soul food specialties. After years of encouragement from family and friends, who lauded her homemade baked goods and mouthwatering meals, owner Donna Green stepped out on faith and opened her restaurant in Savannah on Montgomery Street.

The restaurant attracts hungry patrons from near and far with decadent desserts like red velvet cake and bread pudding as well as piquant plates like smothered pork chops and oxtails, served up with classic Southern sides like lima beans, mac and cheese, and cabbage.

Donna's is a family affair, and her son Randall Green Jr. helps with the operation. He encourages the public to come and enjoy all of their flavorful offerings in their warm, welcoming atmosphere:

"Our food is great, you're not going to taste Southern cuisine quite like this. And you've got to pair it with the sweets also. So you're going to get a nice hot plate that's going to be really filling. And then, of course, you're going to be able to top it off with a nice slice of cake, slice of pie, or a cupcake."

The Savannah Tribune was honored to participate in Google News Initiative's 4th cohort of their Transformation Tech program. The program aimed to assist publications in launching and growing a digital revenue stream.

We participated in the 12-week program designed to help create a revenue plan and were able to receive a \$20,000 grant to fund the implementation of that plan.

Our plan centered around our creation of a dining guide featuring local restaurants – SAVory – which launched in December of this year.

For only \$150 per month for 12 months, restaurants will receive a feature in the Dining Guide on our website according to contract length (standard term of 12 months), also in a new weekly SAVory e-newsletter, as well as once a month in the print edition of The Savannah Tribune. We will highlight a restaurant per week for the newsletter with an editorial and photos/video. There will be a designated URL to each restaurant's site along with restaurant hours, location, photo, etc. that will be included with the website placement.
