Coast Kids 2025

We're excited to share one of our favorite annual traditions — Coast Kids! This year, students from 24 classrooms across seven local elementary schools teamed up with us to create vibrant, original advertisements for our clients. I had the chance to visit each classroom and meet all 599 students and their amazing teachers. The creativity, energy, and hands-on learning were inspiring to witness. You'll see one ad per client in the pages ahead, but many local

businesses are proudly displaying even more of the students' work — so be sure to stop by and take a look! A heartfelt thank-you to the teachers whose support made this project possible. And to celebrate the students' efforts, 15 per cent of the ad revenue has been donated back to their classrooms. We're proud to showcase their work — and we hope it brings a smile to your face, just like it did to everyone involved.
