Running for Emory

By Averil Hall
Freelance Reporter/ Photographer

Earlier this year, Emory Paluck passed away. On September 27, Michael Menzel ran in the annual cart races organized by Safe Families in memory of Paluck.

Menzel recalled that last year Paluck ran in the same race and was hard to catch. Paluck had won the adult division with ease. This year, Menzel took first place in the adult division, running in honor of his late friend.
